Log In

Firefox is considered the preferred browser for working in Blackboard, as it will typically load faster and experience fewer issues than other browsers such as Internet Explorer.

- To access Blackboard, go to <http://aconline.austincc.edu/>.
- Enter your ACCeID and Password in the provided boxes, and then click **Login**.
- If you are unable to login, follow the link in the error message to troubleshoot your problem.

Note: Closing your Internet browser will NOT end your Blackboard session. To completely close your Blackboard session when have completed your work, click the **Logout** button at the top of your screen.

Access Courses

- The **My Courses** module lists the names/course numbers of all courses in which you are enrolled. Click on a course to access its Blackboard site.
- You may also click on the **Courses** tab along the top navigation bar to pull up a list of your courses.
