1. FY09 Budget  http://irt.austincc.edu/committees/cwtcoc/techplan.html

2. Blackboard Community Groups
   a. Beginning this fall, each of the academic departments will be provided with a community site within Blackboard. These sites are intended to facilitate communication within the various departments, as well as provide an environment to facilitate projects and collaborative efforts online. Disciplines will be able to have subgroups within the departments. Department chairs will be set policies and procedures.
   b. Users will be able to access organizations via the My ACC tab in Blackboard.
   c. IT is currently working a process to generate enrollment

3. 50 rooms are proposed for FY09 multimedia installations
   a. Domingo Alba, Ron Johns and Marcus McGuff will serve with Herb Coleman on a sub-committee to decide with the campus managers and facilities the final list for installs.

4. ACC Technology Research Teams
   a. review new technology for college-wide or departmental use, i.e. lecture capture, 2nd life
   b. present recommendation to CWTCOC at February meeting prior to budget process
   c. proposed vendor day for presentations of hardware and software based products

5. Jean Newberry, Dell representative
   a. presented two new laptop models and desktop
   b. discussion about employee/student discounts (advertise on ACC home page via Marketing)

Next meeting: November 14, 1:30 - 3:30 pm HBC Board Rm. # 201
